6 Title in header section

Given The recruiter opens the web portfolio When The recruiter Looks for the header section

Actual result:

T Key Summary Status Description

Then The recruiter Sees the Job title "QA Tester"

About Me

I am in the process of transitioning to the QA sector because I firmly believe in the importance of doing things right from the start. Working as a QA Tester offers the opportunity to make a meaningful impact on the quality of the final product.

With a solid foundation in manual QA, ongoing training is sharpening my skills to ensure effective contributions toward delivering his

Expected result:
